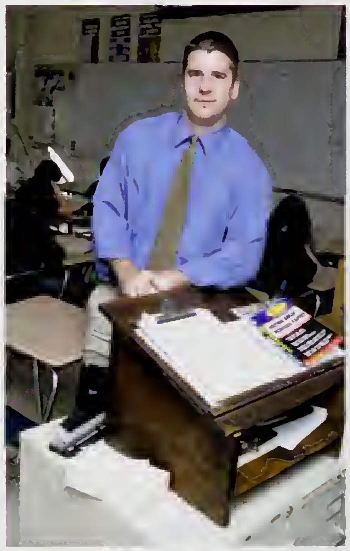
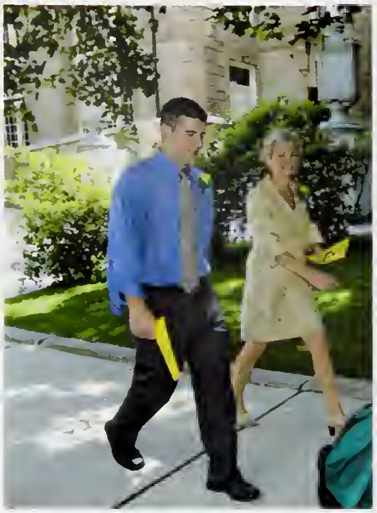
Thank You

The class of 2010 would like to take this opportunity to show our sincerest thanks and appreciation to the entire CHS staff and administration for making our years at CHS without a doubt unforgettable!

A very special thank you to our Class advisors
Mr. Connery and Ms. Jewett for their guidance, support, and leadership and for keeping us on task.

To Mr. Hastings and Mrs. Kach, administrating the school with our class might not have been the easiest of tasks, but we thank you for making our corridor walks memorable. Thank you as well, to the guidance department, for your helpful support with deadlines, acceptances, weekly and some times daily visits to aid in our future. Lastly, we would be remiss in thanking our yearbook advisor Mrs. McDonald. The 2010, 97th edition of The Memorabilia would not have become a reality with out your patience and excessive amount of assistance.





~ THANK YOU! ~

Mr. Joseph Garrity was a part of the fabric of Clinton High School for over 40 years. Known for his outgoing personality, great sense of humor, and not-so-subtle sarcasm, he was easily one of the most popular teachers at our school. In addition to his classroom duties, Mr. Garrity was the Yearbook Advisor for many years and had a strong influence on many of our young teachers. Famous for his Friday vocabulary tests and the way he taught "To Kill a Mockingbird," we will truly miss Mr. Joseph Garrity and wish him the best of luck in his retirement. *Mr. Terry Ingano*

Freshman Year 2006-2007

We walked through the front doors of Clinton High School in the fall of 2006, willing and ready to start a new chapter in our lives. We were known by the traditional name of "dirt" and we wore our "fresh" spirit week shirts proudly. Our enthusiasm and participation gave an indication of our high motivation to succeed during rally events and also showed that we were a force to be reckoned with in future years. We were introduced to the competition of powder puff football, one act plays, and the spirit of green and gold.
Mr. Connery and Mr. Lynch stepped into the role of our class advisors. We had made a smooth transformation from middle school to high school.

Sophomore Year 2007-2008

The brooms came out of the closet in the fall of 2007 as we swept the title "dirt" away. We had passed on our title to the incoming freshmen. The year seemed to fly by as we awaited our junior year!

Junior Year 2008-2009

As we began our junior year in 2008, we were no longer known as the "under classmen". . As juniors, we contributed to our all to Spirit Week and, surprisingly enough, we dominated the seniors. It was also finally our year to host the approaching Homecoming Dance and we chose for our theme "Fire and Ice." Our winter break was longer than we had anticipated, due to a devastating ice storm. This part of the year was also very unfortunate when we grieved the loss of our classmate, Chris Reusch.

When May rolled around the corner we were "still fresh" with planning our Junior Prom. We decided to hold it at Mt. Wachusett Ski Area and our theme was "Oh the Places You'll Go!" By the end of our junior year, we were ready for our senior year and reality started to settle in. At last, we were about to become seniors, the year that came a lot sooner than we had expected.

Senior Year

For the most part, we have all been together for the last twelve years of our lives. There have been a lot of ups and downs along the way, but together we made it through. After many years of defeat, our football team painstakingly worked towards our goal of being Super Bowl Champions. On December 12, 2009 the Gaels had bragging rights to the long awaited trophy.

On March 20, 2010 we all paraded into the town hall for our last official dance together. "Green and Glow" was the theme that took our class colors to a whole new level. Without the help of our reliable and remarkable class advisors Mr. Connery and Ms. Jewett this would not have been nearly as fun! Leading our class during this final year are known to us as our fellow classmates; Molly Igo - President, Lindsay Elworthy-Vice President, Josue Guerra- Secretary, Jason Lapin- Treasurer and the student council members Alyson Rauscher, Liz Perez and Makayla Moran. Ariana Weihn worked to help out with the student council at large.

Spirit Week

Spirit Week 2010...Everyone was waiting to see our class fail, but we proved everyone wrong when we beat the very close second place freshmen by a long shot! We had the title of champions fair and square thanks to our student athletes that proved they could kick a soccer ball pass Mr. Colombo, use their field hockey stick to get around Mrs. Sheehan or show their skills on the basketball court and over Mr. Gage! Our entire school raised many hats, gloves and mittens for needy families.

Not only did we own spirit week, but we also topped the other grades in the powder puff football game. Needless to say, we were a class that just couldn't be beat in 2009-2010!

Senior Hop

Our last and final dance as high school students occurred on March 20, 2010 at the ClintonTown Hall. Reality set in as we realized that we were getting closer to graduation. Our fun continued throughout the night. Our **Queen** Alexandra Rodriguez and **King** Justin Witowski finished the night off while dancing with their court.

Prom

"Oh the Places you'll Go"

We anxiously awaited our Junior Prom. Through our continuous fund raising we accomplished the necessary measures in order to prepare for a wonderful night. We met with friends and family at Central Park to take pictures before the big night. We then headed for Wachusett Mountain with high expectations. As the dancing came to an end, announced was Queen Molly Igo and King Josue Guerra. But the night hadn't officially ended when the dancing was over because we still had our post-prom party to attend at the YMCA in Westboro which was hosted by our parents with assistance from our advisors.

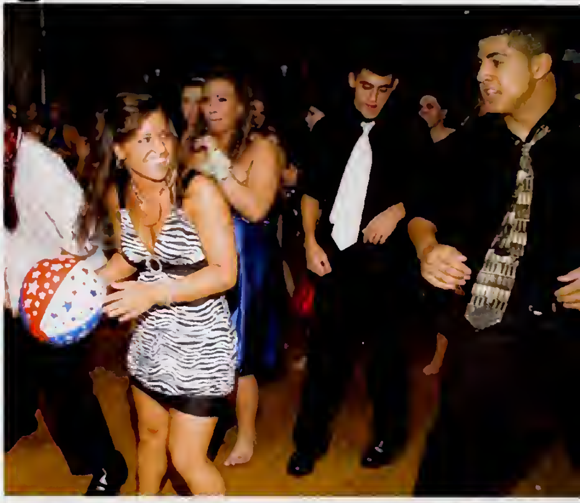
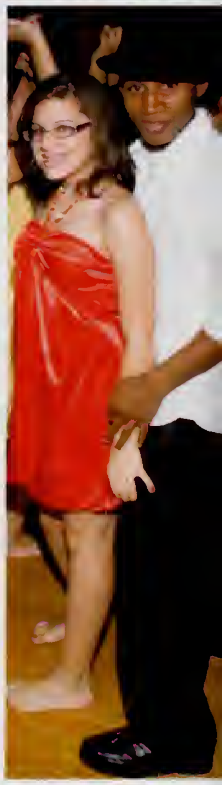
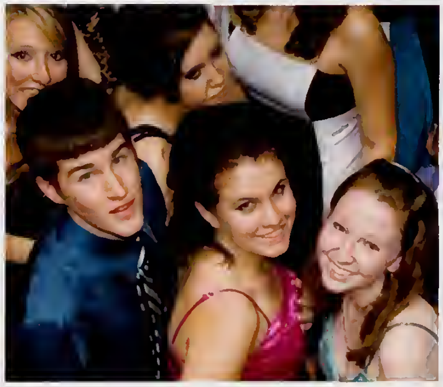
Homecoming 2008







On the evening of November 15, 2008 Fire and Ice engulfed the traditional location of the Town Hall for the Junior Homecoming. The Town Hall was decorated with theme appropriate red, blue, and gold decorations which left a lasting impression on the night. The dance, which no one wanted to end, came to a close as Queen Lindsay Elworthy and King Nick Zapantis, were crowned while their court danced with them to our class song.

Step-Up To Excellence

Step-Up to Excellence is committed to helping worthy students access opportunity and achieve all that they can. We encourage, support and engage students in their academic classes and in developing their personal interests and talents. Step-Up sponsors students in various Summer programs because we believe that experiencing another culture, another region, a new perspective, an innovative idea is a powerful force in promoting motivation and development. We help students to discover and meet these new challenges. The seniors this year were: Amber Foster, Josue Guerra, Molly Igo, Alvin Mayard, Connor McLaughlin, and Alyssa Mullinax .

Excel Club

The CHS Excel Club was established in 1996 in order to give students more community service opportunities. This year's officers are: Liz Perez, President; Marisa Navas, Vice President; Molly Igo, Secretary; Bill Spencer, Treasurer; and Heather Rotti, Historian. Under the guidance of Mrs. Rose Solar and Mr. Terrance Ingano, our club membership reached over 200 students for the third year in a row—continuing our rein as the largest Excel Club in the nation! We started the school year by helping out at "Olde Home Days" in September and the annual "Jack-O-Lantern" Festival in downtown Clinton in October; some of the members of our group were honored during the year at the "Volunteer Recognition Ceremony" at the Senior Citizen Center; we collected over 80 shoeboxes for "Operation Christmas Child", helped out at the town hall at its first-ever H1N1 Clinic, and held another successful "Senior Citizen Social" in May. Two new activities were held this year; "Soles 4 Souls" that collected hundreds of pairs of shoes for needy children and the American Cancer Society's "Relay for Life" event that was held at Nashoba.

This year Gael Force, Team 126 attended both the BAE Regional in Manchester, New Hampshire, and the Connecticut Regional in Hartford. The team adjusted well to the numerous obstacles that came about during each of the competitions. In both Manchester and Hartford the team allied with Team 40, Checkmate, a team we have worked with for many years now. With this a powerful alliance the team made it to the semi finals of both regionals and lost in extremely close matches. The team then went on to compete at the World Championship in Atlanta, Georgia; playing in the Curie Division, the team seated thirteenth out of 86 teams. Although the team was not selected during alliance pickings they held their heads high knowing that they did extremely well. More importantly the students learned and grew from the program and made memories that will last a life time.

With the big gold letter,
As we cheer those Clinton Gael's along!
Through the worst of weather,
We will stick together,
As we sing this merry song!

"All Hail the green and gold!
Let Clinton's fame unfold.
We'll raise the banner to the sky,
For the honor of Clinton High!"

"As we go marching down the field,
We'll hold that line and never yield,
And then we'll fight to heights untold,
For dear ole' Clinton's Green and Gold!"

Selected League all-stars were Michele Lefebvre and Tori Judd. The Academic all-star award was received by Michele Lefebvre.

It all came down to this game: Clinton Gaels VS. Narragansett Warriors. The entire season, there was one goal for the Clinton Gaels, winning the Super bowl. Now was their chance for everything they hoped and dreamed for to come true. After a moment of silence for Chris Reusch #75, the Gaels were reminded of what they worked for all year, and winning was the only option. It was a tough defensive game. Clinton held 'Gansett for three quarters, yet they couldn't score. Finally with the score 14-0, and the Gaels in the lead, the defense yet again held the line, and the Gaels went wild as the clock hit zero. The team won the Division III Super bowl Title, ending their season with a snow angel for their highly remembered teammate, Chris Reusch.

The Gaels finished off with a record of 1-14-1. All 13 players on the team worked together throughout the season and did a commendable job. The team was lead by junior Austin Ball playing the one spot and Donald Dobeck in the second spot. Along side were seniors Cam Wendler, Matthew Dion, and Justin Witkowski. Although the results did not provide a solid record, the team showed outstanding teamwork and class. The entire season was marked by learning experiences and assistance from the more advanced golfers on the team as well as Coach Bonci. This transition year was more of a learning experience than anything. Austin Ball was recognized and named to the Worcester T&G Super Team. Also, Austin Ball, along with Donald Dobeck, were named Mid-Wach C All-stars.

Girls' Volleyball

The Lady Gaels volleyball team finished the season with a respectable record of **6-20**: one of the best the team has seen in years. The girls were led by Captains Amanda Smethurst and Shelby Dickinson. Under their leadership the team was taught that winning means little if you don't enjoy what you are doing. Having fun and keeping a positive attitude was much more important than any record. The girls excelled both on and off the court, always supporting each other and showing good sportsmanship. The Lady Gaels determination and never quit attitude is what truly made this season a success.

Pink Night

This year the Lady Gaels Volleyball team not only did extremely well on the court but they also took the time to give back on very large scale. The members of the team came together to raise money to help fight breast cancer. They hosted, what will hopefully become an annual, "PINK" game. The gym was covered with pink, the team held a PINK bake sale and raffle, and even came together and purchased special PINK uniforms. The game attracted a large crowd, and through the bake sale, the raffle, and a PINK collection, the team raised a generous amount of money. As word spread of what the Lady Gaels accomplished, a local company stepped forward and offered to match the teams earnings; in turn making the teams total contribution to the Breast Cancer Society substantial.

Captains and Coach
(L.-R.) Varsity Coach Tony Gannon, Alvin Mayard, Sergio Colon and Adam Zelent

This year's Boys Varsity Basketball Team lived up to all their pre-season expectations and then some. Senior Captains Alvin Mayard, Adam Zelent and Junior Captain Sergio Colon helped mold the way for a successful season which ended with District play. Contributing immensely were juniors Cody Trautner and Brendan Cutler, John Kittredge and Zack Elworthy, and freshman Kyle Cutler along with Senior Nick Hernandez, and Juniors Pat Ball, John McNamara, and Ben Beyler.

The Gaels finished a strong second place in the tough Mid-Wach Division C with a 7-3 league record and a 12-7 overall. This in turn qualified them for both tournaments; The 71st Annual Clark Tournament losing to Nipmuc Regional 60-66 and the District Tournament upsetting the 3rd seed Uxbridge Spartans 60-50 then on to the semi finals at WPI in what was probably one of the most exciting games of the tournament, losing to the Millbury Woolies by 50-48 at the buzzer!

We were recognized by the area coaches and media by having senior captain **Alvin Mayard** junior **Sergio Colon** and junior **Cody Trautner** named to the Mid-Wach Division C All Star Team.

Also, **Colon** and **Trautner** were named to the Worcester Telegram & Gazette Division II All Star Team.

Led by Captains Carissa Chase and Molly Igo, along with senior players Abby Hastings, Liz Perez, and Ari Weihn, the team posted a 10-6 record including triumphs over West Boylston, Groton Dunstable, and Bromfield. On Wednesday, June 2, we gathered together for the first time wearing our Green and Gold caps and gowns. We lined up by the Library and proceeded to the auditorium. Our guest speaker for the evening was Mr. Stephen Quill Clinton High Alumnis, Class of 1957. Mr. Quill reminded us never to forget where we came from, and the friendships and the memories that we have made will last us our life time. He also told us that if we have a dream, not to be afraid to make it become a reality. He also reminded us to thank our teachers and especially our parents for guiding us to reach our goals.

At the conclusion of the guest speaker, we viewed our own class "movie" produced and created by Makayla Moran,
Abby Hastings, Justin Witowski, and Ally Rauscher.

As we sang our class song "Here's to the Night", and marched out of the auditorium we realized we were one step closer to graduating from Clinton High School and becoming alumni.

We gathered in the cafeteria lobby with our family and friends for refreshments.

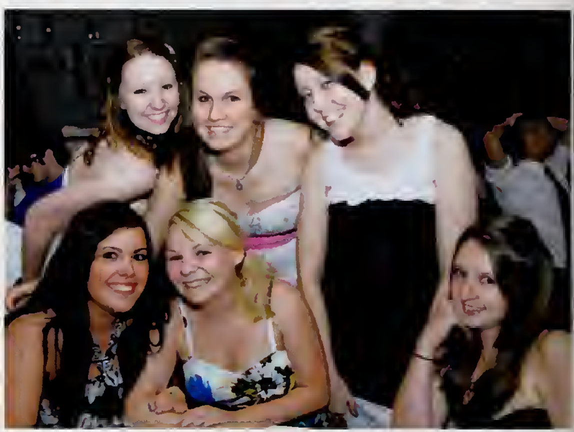
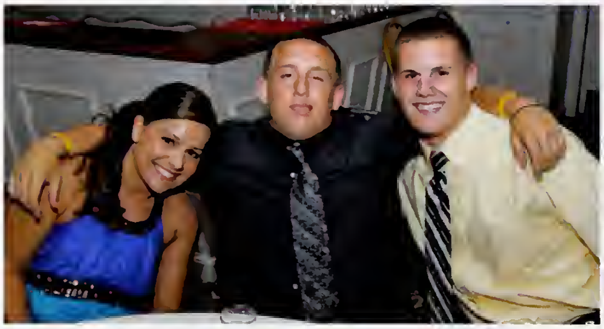
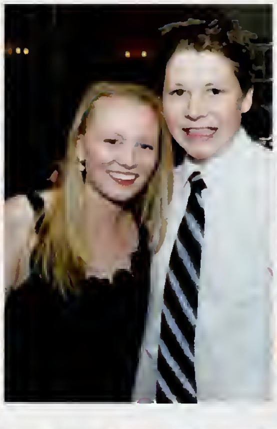
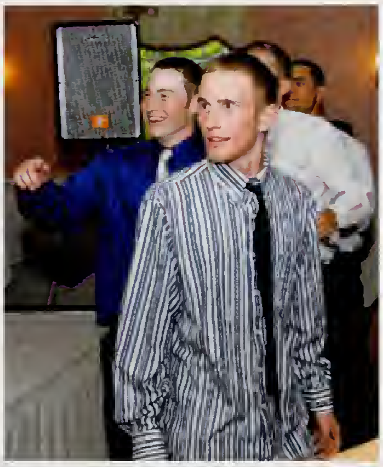
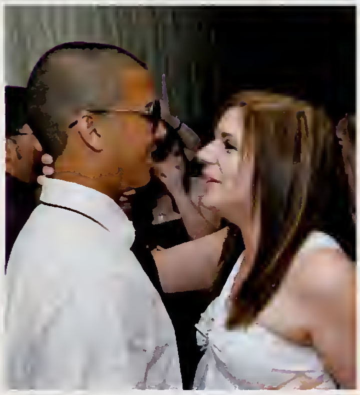
We arrived in Shirley at the Bull Run together for our last gathering as a class. The night began with a delicious buffet and from there the dancing began. Our DJ kept the night flowing as the dance floor remained full throughout the evening. The last song, "Don't Stop Believing," was dedicated to what was ahead of us and it was a perfect way to end the night.











Graduation

On Saturday, June 5, 2010, the Class of 2010 gathered in Central Park for their Graduation ceremony, surrounded by family, friends, and faculty members. The class gift was presented by President Molly Igo. Remarks were given by Valedictorian Maddy Vacha, Salutatorian Sarah Bakun, and high honor students Ariana Weihn and Amanda Smethurst. Each reminisced on the past four years with satisfaction, and left the class with words of encouragement for the future. Superintendent Terrance Ingano, Principal James Hastings, and School Committee Member Tena Zapantis also gave inspirational and valued speeches to leave with the class. After the awarding of diplomas, our famous song "Green and Gold" was sung as a group for the last time as the graduates began a new era in their lives.

The Class of 2010

Good Luck
Hillary Hart

You've traveled around and seen lots of things
Cougars, Volcanoes, and the homes of kings
Fed Kangas, Hiked waterfalls, and had tea in the park
Spent many a night counting stars in the dark.
Rode coasters, and wagons and wheeled things galore
The Octopus, however, went over quite poor
Body Surfed til you're blue, and battled the tide
Remember the boat when we went for a ride?
Mastered Nancy, Mario, Harry and more
Robots, "the stick?" and even my door
You've saved me at home: Found the keys, Saw the furnace
Even once bathed the cat, only a one time occurrence.
Duct taped friends to the walls, walked miles without pause
and even found time for flamingos for a cause
Had parties with Pirates, Giant Bunnies, and Limos
Mastered games for fun, even the demos
Volleyball, Phase 10 or even just Napping
You give it your all—I'll always be clapping!
Seen events like Wicked, Rugby and Rent
Got kicked out of the ballet once when we went.
Gave shows with the cousins, the Angelos, the neighbors
The preparations seemed endless and packed full of labors
The costumes, the dances, the lyrics were right
But sometimes your hair wound up quite a fright!
So much of the best learned through years at CCC
Your home away from home at 0-1-2-2-3
A place oh so special though we battled a bit
Hard to take ALL your clothes and have them fit.
For years I've watched you sparkle and shine
Make friends, face challenges, and always do fine
You're warm and loving and full of compassion
Full of feelings and gifts you don't try to ration
Your enthusiasm, your drive, your desire for success
All mark you as special, and let me just stress
You've grown into "That Person" the one that's unique
A person, a friend, that others will seek.
Of you I'm so proud its hard to describe
All the feelings of love welling deep up inside
Hold onto your dreams, stay calm stay serene
My best words for life are "trust me on the Sunscreen" . . .

Aurelio,

You are my last born and the only boy in the family. Your time has finally come to finish high school and move onto college.

Artie, hero's are ordinary people who place their dreams above their fears. Imagine yourself, the type of person you want to be and then BE IT! WORK HARD.

You are more than capable and worthy of achieving your goals. You possess the discipline and determination to see anything through. You have the tools, now it's time to use them.

With lots of Love,

Mom, Dad, Patria, Rebecca, Irene and Aunty Young

Elizabeth,
You'll leave us soon to spread your wings,
A dream or two to find.
We know your life's forever bound
To these roots you leave behind.
We hope you know how proud we are,
How deep our love resides.
How much we've learned along the way,
Seeing life through your eyes.
Through paper, paint and crayons,
Through graduation years,
These memories will be precious ones,
Despite any future fears.

Wishing you a world of happiness as
You begin your new journey.

Love you forever,
Mom & Dad

Elizabeth,

We are four sisters-Four sisters are we
We're not always together,
Life sometimes keeps us apart.
But we're never separated,
We're in each others heart.

We have had lots of good times
That we'll never forget.
God gave us something special you see,
It's the blessings of, Four sister are we.

The Lord above has given us a lot
Of happiness and glee,
But the most special thing he did was
Four sisters are we.

So whether we are together or we are apart
Liz, you're our sister and our friend

Forever in our hearts
Sarah, Faith and Mary Kate

Elizabeth,

Life holds so many possibilities for a person as special as you...and we want you to know that whatever dreams you cherish, we hope that each one of them comes true.

Elizabeth,

Congratulations. You are completing a wonderful journey with your special touch of excellence.

We are proud of you and
all that you have accomplished.

Reach for the stars and

Dios te Bendiga.

We love you.

Mama Lydia and Papa

Liz,

If there were ever a time to dare,
To make a difference,
To embark on something worth doing,
It's now.

Not for any grand cause, necessarily
But for something that tugs at your heart.
Something that is worth your aspiration.
Something that is your dream.

You owe it to yourself,
to make your days count.
Dream Big.

My Godchild Elizabeth,

I can't believe where time has gone.
It seems not long ago you were a little girl.

Now you are a smart, talented
and beautiful young woman.

Share the richness of yourself and be open to learn from others. The goals you have set for yourself along with your drive and enthusiasm are qualities that will take you very far in life.

I know success will be a big part of your future.

I am so very proud of you.

Love,
Aunt Peggy
